1. YOU ARE THE BLESSING: You are not responsible for (and therefore to be ashamed of) anything you are born with, whether poverty, ill health, appearance, oppressions, bondage, caste, tribe or race. You are responsible for what you end with. You can end your life as a blessing to our nation. God will assess and reward your contribution to the needy society, in proportion to the distance you traversed in your life with the light and power you received, your positive and negative environments, opportunities and obstacles you faced. God is the wisest, immaculate judge. He will reward now or later or in life beyond; reward you or your descendants. Gen 1:28; 9:1; 12:2; 22:18; 26:4; Deut 10:8; 27:12; Psalm 1:1-3; 112:2; 128:1-6; Isaiah 43:4,18; 49:4-16; 52:7; Jere 1:4-10; Mala 3:14-17; Math 5:3-16; 25:34; Luke 1:28; Rom 12:14; I Cor 4:12.

2. GOD OF THE WEAK: Human theories promote “survival of the fittest”. God promotes survival of the weakest. Isaiah 25:4-8; 35:3,4; 40:11, 29-31; 41:10-18; 42:3; 43:1-4; 49:15; 57:15; 60:22; 61:1-3; Luke 12:6,7.

3. YOU ARE NOT what you think you are, whether low or high. You are what you see, hear, speak, read, meditate, do and whom you relate to, in your three free hours every day. Psalm 139:1-4; 23,24; Prov21:2; 26:12; Isa 55:8

4. DISCOVER OUR IGNORANCE: Knowledge is like the electron microscope and the radio telescope. The more you see, the more you find what you do not see. Man is not God. Deut 29:29; Isa 46:9,10; Jer 32:17; Dan 2:22; Math 13:35; I Cor 2:10; 4:5.

5. DO NOT GAMBLE WITH YOUR LIFE: I failed in the first year of my college study by my negligence and narrowly escaped career and character disasters. Your four to six years of college study decides your next forty years of career and character. Do not play with it. Study your books. Study God’s book. Nothing else matters for those six years. Psalm 19:7-11; 90:12; 119:9,37; 138:2; Eccl12:1; Math 4:4; Eph 5:15,16; 6:18.

6. DESIGNER GODS: Man succeeded in customising all gods of all religions to suit his wants. Except one who is determined to customise all men to suit His cosmic governance need. Exodus 20:4-6; Psalm 46:10; Mark 11:17; John 14:6; Acts 4:12; 7:49,50; Acts 17:23; Rom 1:23.

7. **SEX:** God created and mandated 'Reproductive Responsibility' (on man to procreate, protect and provide for the new life, till it reaches reproductive age). The ignorant named it 'Sex'. If you resolutely restore the scriptural, scientific word 'Reproductive Responsibility' wherever the ignorant, unscientific word 'Sex' is used, you will see great health in your mind, your spirit and in your society. Mark 7:21-23; Romans 1:24; Heb 13:4. See the video *Ebe on Homosex*

8. **MIRACLE** is God acting according to cosmic discretionary scientific laws yet to be discovered by scientists. Isa 46:10; 55:8,9.

9. **'PEER PRESSURE'** is the escape word of the spineless, who yield to the marketing pressure of the heartless, in order to be socially accepted by the thoughtless. Psalm 1:1-6; 19:7-14; Prov 28:1. See video *Ebe on Alcohol*

10. **AM I BEAUTIFUL?** Beauty industry and beauty contests are billion dollar businesses built upon the anxiety of our girls about their pigmentation and anatomy. These businessmen have arrogated to themselves the global right to define beauty for our daughters. Female charm is not pyramidal but horizontal. Beauty is not singular but plural in thousands of shades, shapes, sizes and smiles. Every girl can and must grow in female charm. Commercially defined beauty is a very small part of that female charm, which includes, inter alia, voice, manners, tenderness, grace, kindness, sensitivity, loyalty, bonding, blending, chastity, feelings, emotions and innocence. Beware of the marketing men who drive you to depression about your looks in order to rob your money. You are created charming. Prov 11:22; 31:30; Isa 52:7.

11. **AM I SMART?** Smart phone, smart city, smart men are in. The young must hone their skills as much as possible. Keep learning lifelong. Goodness with smartness can accomplish much. Goodness without smartness may accomplish less. Smartness without goodness accomplishes nothing - of lasting value. The smart move fast but without fixed direction. The good may move slow but with fixed direction. The smart are admired but not loved. The good are loved but not admired by the world. Psalm 1:1-3; 127:2; Prov 26:12

12. **SCIENTISTS END HERE:** Of all the thousands of scientific laws (whether biological or physical or mathematical) not one of them was created by any scientist. The scientist can only discover them. God created the laws. And covered them. Deut 29:29; Psalm 90:2; 139:13,14; Prov 25:2; Daniel 2:22; I Cor 1:22-30; 2:9.

13. **SLAVERY SLOGANS:** “Fastest, latest, biggest, richest, early bird”. Bombarding of these market *mantras*, does not allow man to think, reflect or question his self-inflicted slavery to the “pressure of living”. Relax. Rest. Your Redeemer rules without rush. Exod 20:9-11; 33:14; Psalm 23:2; Prov 15:16; 16:8; 19:2; Eccl 3:11; 8:6; 12:1,13,14 Isa 30:15; 32:17,18; Math 11:28; Luke 12:20,21; Phil 4:19; I Tim 6:6-10; James 4:1-4; I John 2:16,17.

14. **KNOWLEDGE VS WISDOM:** Knowledge comes by acquisition. Wisdom comes by obedience. Adam gained knowledge but lost wisdom. The highest risk to the defiant human race today is the exponential growth of knowledge without wisdom to manage it for good. Gen 2:9; 3:7; Prov 1:1-33; 2:1-22; 3:1-26; 9:10; Isa 11:1-3; Dan 12:3,4; Luke 2:51,52.

15. **OBEY CLUMSILY:** Gideon obeyed God’s command in the night because he was afraid to obey it in the daytime. It is immaterial how you obeyed as long as you obeyed somehow. While obeying God’s ethics you may feel momentarily awkward, clumsy, undignified, disordered, nervous, unsure, humbling and stumbling. But in God’s esteem you become highly elevated. Do not wait for doing triumphalistic obedience. It is a myth. Judges 6:27; 7:10

16. **SANCTUARIES:** There are only two human sanctuaries, man’s* top and woman’s base. One for our birth and nurture and the other for our rebirth and nurture. That is why the entire dark powers are determined to desecrate only these two human sanctuaries through the media, film, flesh, and porn industries. (*read human) Psalm 19:14; Isa 7:17; 66:1,2; Math 1:20; Luke 1:15,35; John 17:17; Rom 8:5-7; 12:2; II Cor 6:16; Phil 2:5

17. **ETHICS, NOT MYTHOLOGY:** The holy scripture offers no magics or mystiques or *mantras*. If you filter aside all the individual, family, tribal and national histories, (which form four fifths of its volume but give us

only the context) the holy scripture is the universal and eternal textbook on ethics, both personal and social ethics. The uniqueness is that besides ethics, it offers a Redeemer to those who fail or falter in their desire and efforts to follow its ethics. Psalm 1:1-3; 19:7-11; 119:9,11,34,37,39,99,105; Rom 2:6-16.

18. RITUALS: All religions build rituals. But God builds relationships; vertical and horizontal.

19. PRE-MARITAL AND EXTRA MARITAL SEX: Global anthropological studies give us ample evidence that fertility cults and child sacrifice of the resultant babies always go together. Because the reproductive (marriage) covenant must precede (not follow) the biological union. Whenever these two steps are reversed or separated, child sacrifice is inevitable - in ancient days at the stone altar of the savage sex gods and now at the surgical table of the 'speciality' hospitals. Deut 9:4,5; 12:30,31; Gal 5:19,24; II Tim 2:22; Rev 21:8 See video *Ebe on Abortion*

20. MARRIAGE THE SOCIAL DUTY: Marriage is two imperfect persons covenanting to learn to love and live in and for an imperfect society's perpetuation and its transformation - thus fulfilling God's supreme duty given to humans. Marriage is never a two persons private affair. Marriage is a collective social covenant and duty. The society through its Registrar has a covenant duty to give social support to the couple. Marriage is never perfect. The perfects don't need a covenant nor social support. Genesis 1:28. Malachi 2:15. See video *Ebe on Divorce*.

21. SOCIAL DRINKING: All drunkards (500 million worldwide) started as 'social' drinkers and ended up as anti-socials. One half of all the crimes and road accidents worldwide today are committed by liquor addicts. The holy scripture warns 70 times against liquor addiction. The impact of Greek culture and philosophy during the Roman colonial period effected this moderation in Palestine. The Hebrews (including the Lord) used wine but below intoxication level because no preservative was invented even during the Lord's time, to preserve grape juice in unfermented form as is done now. Their consumption was done at home in the presence of elders who ensured moderation unlike done today in darkness and secrecy. For the prophets, priests and kings, liquor was totally prohibited

as they were God's officers over the society. Now all the believers hold that office. Therefore, avoid liquor. "I am on diet"; "I am under medical advice" are wise words to decline liquor when offered. Prov 21:36; 23:31,32; 31:3; Eph 5:18,19. See video *Ebe on Alcohol*

22. **THE DESCENT:** Curious, allured, just one try, enjoyable, no instant harm, the second try, a habit, an addiction, an obsession, a possession, a bondage. Beware of curiosity, the first step to demonic bondage. Gen 3:6; Psalm 19:14. See video *Ebe on Drugs*

23. **LOVE MARRIAGE vs ARRANGED MARRIAGE:** This is a media manufactured myth. There is only the Sensual Marriage vs Sensible Marriage. Love at first sight is lost at first fight. In sensible marriage, the girl and the boy, after establishing themselves in their careers, select transparently, responsibly and prayerfully, their life partners, with the guiding values given by mature mentors and the Holy Spirit. The short listing of candidates can be done primarily by the boy / girl. The mentors and the parents may help them in this listing, but they should not be driven by money, caste, status, property, or any other carnal factors. Thorough cross reference is a must as is done for appointment to a very highly responsible lifetime job. List the qualifications first. Then list the qualifying names. Do not reverse this order. Marriage is for lifetime. Do not play with it. Prov 31:10. See video *Ebe on Love Marriage*

24. **PRIVACY VS SECRECY:** A married young couple have privacy. They do not feel guilty about their privacy. The person who has secrecy feels guilty. Because anything done in secret is evil and opens your door to the demonic. That is why confession to one another breaks all addictions, bad relations, and demonic bondages. Some mature elder must know all your actions and plans and even your compulsive thoughts. This is a must especially for the young people who perilously mistake secrecy for privacy. Psalm 139:1-4, 23,24; Prov 28:13; Mark 4:22; John 3:19-21; 8:12; 12:35; Eph 5:11-13; Heb 4:12,13; 1John 1:6-9; Rev 21:11,12.

25. **FAITH:** The sacred faith stands on two legs, its historicity (root) and its current ethical utility (fruit). The root has no relevance without contextual ethical fruit today. The current subjective limited utility can wither without historic roots.

26. ALL CAN BE REDEEMED: The State hospital admits all the sick, who admit they are sick. The State school admits all who admit their ignorance. The Redeemer admits all who admit their defects. However, there is condition for admission and condition for retention. It is trust and obedience (also called as 'Faith'.) Trust in the institution and obedience to its instructions for growth. Disobedience (not your worst defects) is your only exit (self-expulsion) door. I Cor 9:24-27; 10:12; II Peter 1:5-10;

27. PURPOSE OF MIRACLE: I was healed of 'terminal' cancer 18 years ago by divine intervention. By giving us such occasional supernatural interventions, as per his word, God trains us to expect (trust) him to behave according to his promise (holy scripture) so that God can expect (trust) us to behave according to his holy scripture, before or after we receive such supernatural interventions. This is faithfulness of God expecting reciprocal faithfulness from man. This is the ultimate purpose of every miracle. (All persons may not receive all miracles. Human faithfulness even in the absence of miracles is far superior in its value.) Psalm 50:15; Luke 5:1-11; Math 11:20-24; John 5:14.

28. THE TRAP: Flirting with boys / girls now will permanently eliminate your capacity to trust your future husband / wife. If you are dishonest even in small things, you will lose your authority and respect in your workplace / study place. You reap what you sow. II Cor 8:21; Gala 6:7; I Tim 1:5.

29. LONER: A candle does not lose its light by lighting other candles. But a log which burns alone may lose its fire. "Do not curse the darkness around you. Light a hundred tiny lamps". Math 5:14 -16.

30. LIVE ON YOUR OWN TERMS: Hell's horror is your staying permanently in the compulsory company of beings and persons, each one living on her / his own terms. Isa 26:21; II Tim 3:1-5;

31. TRIAL DATINGS, LIVE INS, DIVORCE: *Agape* (selfless love) and *Phileo* (friendly love) can be and must be cultivated in width and in depth. But conjugal (reproductive) love between genders cannot be increased. It is fixed in its capacity - like an adhesive tape. The first time the adhesive tape is stuck it stays permanently. If you peel it off and stick on another surface it sticks partly. If you peel again and stick on a third surface it does not stick. No one buys a used adhesive tape from the shop. No one

can stick to a used person. I Cor 3:16,17; 6:19; II Tim 2:22; I Peter 1:15,16. See video *Ebe on Divorce*

32. CHANGE TO PERISH: “The only thing permanent in the world is change” decees the changing man. The only thing permanent is change around the permanents. Change derives its origin, value, orbit and purpose from the permanents. God could say “Behold I make everything new” because “He is the same yesterday, today and forever” and “I am that I am”. The permanents are God and his ethics. If the change you make is material, it is orbital and therefore immaterial. If the change you make is ethical, you perish. Psalm 90:1,2; Mal 3:6; Heb 13:8;

33. HOW TO MAKE FRIENDS: Many youngsters today go for amorphous online friendship of one thousand faceless persons in width and one micron in depth. ‘Likes’ sharing is not life sharing. Your real friend knows all your blind spots and has the commitment, conviction, and courage to correct you- but sticks with you in thick and thin. “A friend in need is the friend indeed”. It is enough to have a few such friends as prophet Daniel had, who share your core values of life. List your life values first. Then select friends. Don’t list your friends first and then follow their values. Prov12:20; 25:12; 27:6,9; 26:6; Dan 2:16-18

34. REPRODUCTIVE URGE: Man has about 40 times stronger reproductive urge than woman. This urge is given by the most sacred God for a solemn and supreme responsibility. But the mass media portrays man as a rabid sex dog. Women as mothers, sisters and as wives have enormous scriptural duty to facilitate men and boys in their homes and neighborhood, to meet or manage this God given urge with highest dignity and sanctity. This is not solely a male problem. Do your duty. I Cor 7:2-5.

35. VICTIMS OR VILLAINS? All of us are collectively both victims as well as villains of our adverse environments. The offended as well as the offenders. We vary only in degree and in kind. That is why the Lord is both our Redeemer as well as our final Judge. Grow from being “part of the problem to become part of the solution”. Prov 11:10-13,16,17,21; 28:5; Jonah1:7-12; 3:4,10.

36. DRUG THE DEEP PIT: While liquor can drop you at the animal level of behaviour, drug can drop you deeper at the demonic level because drug impacts your subconscious and soul. Your 'friends' who take you to the HIGH desert you at your LOW. Beware of such 'friends'. I Cor 6:19. See video *Ebe on Drugs*

37. ABORTION: Abortion is murder*, in spite of the exotic Latin words used for that murder, the murderer and the murdered. No feminist can endorse the murder of a million prenatal girls on the pretext of upholding the absolute right of the mother over her 'own' body. If the mother has that right to kill, the daughter has the right to live, in her 'own' body. Murder is punished by God. (*with rarest medical exceptions). Ex20:13; Rev22:15. See video *Ebe on Abortion*

38. ETHICS: What is legal is not always moral. Legality is legislated by majority voting often by human herds. Morality (personal and social ethics) is decided by the sanctified collective conscience of a nation awakened often by a minority of prophets. Human history shows that legality did not sustain even the greatest of civilisations. Morality did. God judges us according to his morality not our legality. I Cor 1:19,20.

39. ASK THE MOST EXPERIENCED: When you enter your first job after your graduation, you must ask for guidance from the man who works there for thirty plus years - not from your classmate. When you are lost in a jungle in a foreign land you must ask for direction from the oldest jungle man there, not from your fellow tourist. For choosing your life partner and life directions ask the most experienced not the most inexperienced. Avoid stupidity. Stay very smart. I Cor 1:19,20. See video *Ebe on Love Marriage*

40. I LISTEN ONLY TO GOD: God has delegated much of his terrestrial responsibilities to divinely ordained human institutions viz, godly family elders, social teachers and spiritual mentors. Any young person who does not listen to their sanctified advice does not listen to God. Only when the young person grows into maturity, he/she will be led directly by God. Exod 20:12; Prov 1:8; 15:22; 23:22; Heb 13:17.

41. GRUMBLING: Attend the funerals of the young. Visit the ICU in hospitals. Serve the homeless children. Your grumbings will evaporate.

Psalms 103:1-18; Math 8:20; Phil 2:14,15.

42. PUBLIC AND PRIVATE LIFE: Current ethics has cut man into two lives, the private and the public. "Man in his private life can act as a (evolutionary) beast. Because that is his biological normative. But man in his public life must act as a saint; honest, faithful, dutiful, and socially conscious". However, man is not wired for this dichotomy. The man who cheats his wife will soon cheat his boss. A wife with a 'lover' will soon become a hard criminal. A judge who has 'affair' with his lawyer will pervert his verdicts. Ethical cancer is always metastatic. II Tim 3:1-5; Heb 12:15

43. MANAGE YOUR ANGER / HURT: First transfer your anger / hurt from your mind to your diary. Then you can sleep well. Mind your regular works. Pray for several days - for a month for a major issue, for a week for a minor one. Keep editing your writing in the diary every day. Then you will become progressively objective in your perception of the issue and led by God in your remedial plan of action. If the hurt still persists, transfer your grievance / hurt / anger to those in charge of your work / life/ family. Ask them (and the Lord) to resolve the issue. Wait long enough for them to act. Forgive. Mobile phone and e mail are powerful fire setters (James 3:6). Avoid them completely when you are angry or hurt. Prov 12:16; 13:3; 14:29; 15:1,4; 16:32; 17:9; 19:11; 20:3; 22:24; Math 5: 21-24; 18:15-17, 21-22; Eph 4:26,27; Colos 3:13; James 1:19,20.

44. FORGIVING: "Will not that repeat offender assume my forgiving as my weakness and as his license to offend more?" Transfer that case fully to the Lord and to the senior in charge in your family, office, *sabha* or society. Ask them to monitor and act. Their action may not be as per your full expectation, way, or timing. Accept it. Forgive. However, the command to forgive 70x7 times is for the forgiver and not for the forgiven. God will act sooner or later but fully. Hell is the final destination of beings and persons who by willful repetition of offences chose to lose their capacity to repent. Hell, traps all those smart offenders who escaped these human institutions and courts. Prov 25:21,22; Mathew 6:12-14; 18:23-35; Mark 11:25; Luke 23:34; John 20:21; Acts 7:60; Rom 12:17-21.

45. OBEDIENCE IS AUTHORITY: Only a person who obeys authority can exercise authority. The army is a good example. A man who obeys God's word implicitly, his word the evil spirits obey. Your obedience to divinely ordained human authority (in family, *sabha* and society) is also reckoned as obedience to God. Luke 7:7-10; Rom 13:1,2; Eph 6:1-4; James 4:7.

46. ADULTERY: Stimulation of reproductive thought is a scriptural duty and inherent capacity of every spouse. But stimulation of reproductive thought in a non-spouse is adultery. This adultery is done by revealing or seductive dress or manners, or proximity done whether intentionally or carelessly. Adultery is punished by God. (This advice is for your husband's office mate / your 'boyfriend's classmate.) Math 5:28-30; 18:6,7; Mark 9:42; Luke 17:1; Rom 14:20,21; I Cor 3:16,17

47. CONSUME TO DEATH: What to eat and how much to eat decides whether food becomes power or poison to your body. Compulsive eating is a clinical disorder leading to slow death. Compulsive media consumption (via telephone, television, internet) is a mental disorder, risking your life. Leave it now and live. John10:10,11,14,27,28.

48. YOUR FEARS AND SHAME: Fear of (reverence for) God kills all other fears in your life. Shame for evil removes all other shames in your life. Psalm 4:8; 23:4; 27:1,5; 28:7; 31:20; 32:7; 34:4; 46:1-6; 91:1-16; 112:6; 113:7; Prov 1:25; 14:26; 18:10; 19:23; 23:18; 26:2; 28:1; 29:25; Isa 8:12,13; 25:4,8; 26:3,19; 33:6; 41:10; 43:1-9; 51:12; 54:10-17; 56:3-7; 66:2 Jere 39:17; Math 8:26; John 14:27.

49. ALL ARE EQUAL: One awesome character of God is his equity. (Psalm 72:14) He values the emperor and the labourer equally, though he provides for them differently, according to their social need and responsibility. We humans seriously mistake God's unequal material provisions as his unequal love. Material provisions end on the earth. Equal values continue and consummate in heaven. Exod 22:21-27; 23:2,7,9-13; Lev 19:34; Num 15:15,16; Job 27:13-23; Prov 17:5; 23:10; Isa 1:17; 40:4.

50. UNISEX TO MANY SEX: Woman must be valued equal to man in all her roles and responsibilities. However, gender parity is not gender

annihilation. Wherever gender annihilation is promoted or legalised, homosexuality, polysexuality and bestiality begin to breed because the sacred family relation is reduced to a bio coupling. Autonomous identical spouses cannot mutually complement relationships and therefore opt out for non-relational bio couplings. Rom1:24-28. See video *Ebe on Divorce*.

51. **SLOW POISON:** The well tested rule of Hell is “Imperceptible micro change”. One spoon of more liquor per day, one hundred rupees of more dishonesty per month, one inch reduction in the dress length per year, one phone call to the ‘third’ person, so that the perceptive minds and voices can be vehemently silenced as Pharisees, fanatics, fundamentalists and fools. Luke 16:10.

52. **DON'T LAUGH:** Smiling is a serious high paid professional marketing job today. All are afraid of these paid smilers. Bring back unpaid smiles inside your home.

53. **PROPHECIES THE EVIDENCE:** There are a few hundred (of which 40 major) indisputable predictions about the coming World Redeemer, made over a period of four millennia before his arrival and discovered in many records across Asia including India. For any human being to fulfil these 40 predictions the chances are one in a trillion. Gen3:15; 12:3; 49:10; Deut 18:15; Job 19:25; Psalm 2:7; 22:1, 16,18; 40:7; 69:21; Eccl 3:14; Isa 2:4; 7:14; 9:6,7; 11:1-8; 25:8; 26:19-21; 40:3-5; 42:1-4; 53:1-12; 61:1-3; 65:17; Jer 23:5; Dan 2:36-44; 7:13-27; 9:24-26; 12:1-11; Joel 2:18; Micah 4:3; 5:2; Hagg 2:6; Zach 11:12; 12:10; Mal 3:1; 4:5. For full book reading online on this topic: *Our Gurus on the Maha Satguru* - www.ebesunderraj.in

54. **HELL IS NO FICTION:** A small evidence of the torment in hell is seen here and now in the torment of a demon possessed man or woman near us till he / she is delivered in the name and power of Satguru Yesu. Thus, Yesu cannot be the tormentor of humans in hell and their deliverer on the earth. The suffering of humans in hell is primarily due to the presence of evil beings who derive sadistic pleasure in the pain of others. Isa 26:21; Math 8:29.

55. **PURPOSE OF SUFFERING:** For a believer whether he suffers for a moral cause or faces normal trials of human life, it builds his patience and

character in the image of God. If supernatural divine intervention occurs, it builds his faith. If miracles do not happen it builds his hope. Because he will see the redemption of his society or blessing on his descendants or receive commendation in heaven. However, those who voluntarily suffer most for the physical or spiritual building of others are not concerned about reward. The apostles, prophets and *salias (anjalar, avadoots)* belong to this class. Isa 53:1-12; 59:21; Math 24:9-12; John 16:33; Acts 9:16; Rom 5:3-5; 8:16-18, 28; II Cor 1:3-11; 2:14; 4:1,7-10,17,18; Phili 3:8,10; Heb 2:18;11:1-38; II Peter 1:17-19; I John 3:16.

56. JUDGEMENTAL: Assessment of staff is the responsibility of every manager. Conviction of the unruly is the duty of every judge. We all need to do mental evaluation of persons to build appropriate relationships with each other. However, making oral or written opinion of a person unless officially called for is a serious offence. Because mental opinion can be altered or erased. Oral or written opinion cannot be. The damage is done. Nothing can hinder our prayer or God's forgiveness to us as effectively as our words damaging others reputation. Prov 10:11,19,21; Math 7:1-5,12; Rom 14:4,12,13; I Cor 4:5; James 3:4-10.

57. MIRACLE spectator, miracle receiver, miracle worker, miraculous (divine) human being. Which grade you are in? The Jews saw the greatest miracles in human history. The Jews also saw the greatest suffering in human history. The more miracles received the more obedience is required by God. Become a miracle (divine) being by obedience. Become a miracle worker by prayer. Math 11:21-24.

58. FAILURE IN A YOUNG BELIEVER: Two marks of a new believer are his transparency about and regret for his occasional failures. The third mark is the magnitude and frequency of failures diminish to near zero either abruptly or very slowly depending on his past and his current socio ethical environment. It is like learning bicycling. The fourth mark is his eagerness for righteousness within and around him. He is a recovering patient but with a white coat on. Though a young weakling he is a son of God in the making. Prov 24:16-20; Math 5:6.

59. MATING, DATING, MARRIAGE: Anthropologically in many of the non-covenanted societies, worldwide, mating preceded marriage; from the Central Indian tribals to the Southwest Chinese tribes to the

Scandinavian tribes to the central African tribes. It was considered a necessity then, in order to ascertain the fertility of the two, yet to be married. With the dawn of the divine light in these societies mating was reduced to dating and mixed dancing. With the digital communication of today one can obtain almost every needed information about one's prospective spouse - from DNA to fertility, from psychometrics to compatibility, from CV to goals of life. Therefore, the need for prolonged dating beyond a few weeks is eliminated. Prolonged non committed dating for emotional entertainment (as against informative, interactive meeting between two career adults) leads to moral disaster. Avoid primitive savage customs returning in the garb of ultra-modernity. See video *Ebe on Love Marriage*

60. EVOLUTION VS CREATION: The billions of missing links (transitional fossils) are still missing even one hundred years after Charles Darwin. Thereby Natural Evolution demands a lot more faith from me than does Creation. Scientific inference depends on the current level of tools of observation and comprehensiveness of subject material accessed. Therefore, the final word is yet to come. If science itself is under Natural Evolution there is no such thing as 'final scientific' word.

61. EVOLUTION OF GODS: Contrary to the most popular anthropological hypothesis of Edward Taylor it was discovered and documented around the world in the last one hundred years that it was the transcendent monotheism ('Sky God' as the aboriginals call) which degenerated into polytheism and pantheism and not the other way around. Polytheism and pantheism did not 'evolve' into to the concept of a supreme, benevolent, ethical, speaking God. Man devolved that speaking God with non-ethical idols, symbols and rituals to get rid of His ethical speech. This is why, though the tools of human communication increased enormously over the millennia, from oral to digital, from drums to satellites, transmission of correct divine information and instruction decreased by human indifference or intention because correct divine information and instruction demand ethical obedience. Rom 1:22.

62. RACISM AND CASTISM: Anthropological evidence show that the gospel and literacy (which in most cases followed the translation of the holy scripture into local language) elevate any primitive civilisation to digital civilisation within three generations. It is not the lack of intelligence.

It is the lack of opportunity. We have seen this firsthand happen, among the head-hunters of Nagaland to Karens of Andamans, Puliars of Kerala, Irulas of Tamilnadu, Maltos of Bihar, Bhils of Gujarat and to the Dalit slaves across India. God creates all societies equal in potential. The racists and casteists suppress others' potentials. Acts 17:26; Gala 3:28.

63. **RACIAL SUPERIORITY:** Anthropology has established that pigmentation, cephalic indices and neuro anatomy have no relation to the collective intellectual capacity of any race. Any racist / casteist who still lays claim to that innate superior brain is the most successful killer of his own claim. Luke 7:1-10; Colos 3:11.

64. **BOY FRIENDS / GIRL FRIENDS:** Cross gender 'friendship' is an imported garbage in the garb of modernity. Friends belong to same gender. Cross gender relation is premarital affinity. It is not friendship. All mammals engage in this affinity except the cultured youth. The enlightened do not engage in sensual self-entertainment, out of peer pressure or personal ego, in order to test one's own attractiveness. Youth of substance do not seek to prop up their significance by indulging in such practices at the cost of other lives. Psalm 119:9,34,105; 139: 1-24. See video Ebe on Love Marriage.

65. **MAKE HISTORY:** Study *sabha* history. Study mission history. Study national history. Then you will make history. Secondly the study of above histories makes us humble to realise like Elijah that we have not accomplished anything greater than our forefathers did. Judg 6:13; Kings 19:4; Dan 9:2.

66. **YOUR EPITAPH:** Pray for one year and write within fifty scriptural words, your own epitaph; what you want to be remembered for one hundred years by one million persons. That is the Vision and Mission Statement of your life. Start living it. Do not deviate. Psalm 2:8; Eph 1:18,19; 3:20.

67. **WHOSE FAITH MATTERS?** What ultimately matters is not how much a man trusts God but how much God trusts that man. John.2:24.

68. **COLLECTIVE FAITH:** Faith which means 'trust and obedience' can be personal as well as collective, as that of a family, *sabha* (fellowship)

or society. Mark 2:5 These are divinely ordained human institutions where the ethical obedience of one man to God, impacts the response of God to another man's need. I am what I am today because of the obedience of a thousand persons to the ethical will of God. Faith is not some individualistic positive thinking or *yoga*. Mark 2:1-5; Luke 7:4-10; Rom 5:19.

69. WANT TO BECOME A CELEBRITY? The celebrity in the entertainment industry sells her / his private life or private body to the mass media for a fortune. They are skilled to entertain millions except themselves and therefore many of them end up in suicide. Many others end up in God's severe judgement for polluting the society. Rev 19:1-4;

70. SPICY PROBLEMS: Most people seem to enjoy so thoroughly in discussing their own and others' problems that they seem to hate solutions. Enjoy finding solutions. Prov 26:17-20; Math 5:11.

71. EVOLUTIONIST IS AMORALIST: Every natural evolutionist is an amoralist. An ethical evolutionist is a scientific contradiction like a hot ice cream. But no evolutionist will ever reveal this truth.

72. SUICIDE: seems a very high probability when you live for yourself and when pleasure (not relationship, peace, *anand*, *shalome*) is your ultimate goal of life. When that pleasure becomes pain, self loses its purpose for living. You want to quit. No one minds. Those who live for others live the longest or the happiest because others want them to live the longest. So does God, the everlasting. Do not give up. God has a high plan for you. Psalm 34:17-19; Isa 49:15; 55:8,9; Rom 8:34; 10:11; II Cor 4:17; 7:10; Phil 4:4-7,19; Heb 4:15,16; I Peter 4:7; Jude 24,25.

73. FATHER OR FOE: Father (heavenly and earthly) corrects, condones, and restores you. But never disowns you. Satan tempts, traps, topples you and then condemns and rejects you. Beware whom are you listening to. Exod 19:3; 20:12; Lev 19:1; Psalm 32:8; John 10:10-14; 27-30.

74. 'AVERAGE' is not synonymous with 'normal'. As someone said, "the average of body temperature of all persons in a hospital is higher than the normal body temperature". The behavioural standard for a daughter/

son of God is set by God and not by the average behaviour of all the crowd around her / him. The ridiculous may ridicule. "The sun does not change its course in the sky because many dogs bark at it." Gen 39:11-20; Tim 4:12; I Peter 4:14.

75. CONSUMERS AND VENDORS: Humans are reduced today to just two categories, consumers and vendors. There are no more relationships but only contracts - as between a husband (sexual consumer) and wife (sexual vendor); even God (cargo vendor) and man (cargo consumer) etc; contracts that can be terminated any time for any reason. Restore relationships. Cast out consumerism. Mal. 4:5,6.

76. WHO NEEDS WORSHIP? Worship is getting into deep awareness of God's supreme character. During worship God's character must flow from our lips into our lives. This is the evidence of true worship. Secondly uttering God's lofty character in worship torments and terrifies demons who are the antithesis of God's character. Therefore, during worship, demonic oppression, curses, bondage, addiction, affliction in body, soul or mind leave. God being the highest, cannot be lifted any higher by flatterers, in order to curry his material favour. The heavenly Father likes the affectionate words of his children as every human father does. But God does not depend on human worship; but man needs worship of God. John 4:23-25.

77. BECOME A MAGICIAN: To cast crippling spells on people, use the following ancient *mantras* (magical chants): 'thank you' 'great' 'good' 'please' 'I need advice' 'I need you' 'valuable' 'excellent' 'I made a mistake' 'I will try' 'sorry' 'it is OK' 'you are precious' 'God bless you' 'God loves you'. Prov 10:11; 16:21-24; 25:15.

78. WHY NEED HELL: Ethics is not philosophy. Ethics is based on cause and effect (action and its consequence). Every nation has its legal code as well as the resulting penal code. You will not stay for a single night in a nation which has no prisons but only philosophical wall posters. God calls himself as the ultimate supreme judge, not as Santa Claus. The Redeemer condones but only the 'approvers' and only on condition of obedience. All others will meet their own proportional consequences. This is physical science, social science, legal science, and cosmic science. Isa 26:21; Rev 22:12. See video *Ebe on Hell*.

79. BE HUMBLE BUT MAJESTIC: In the presence of God be absolutely humble. Show *bhakti*. Everything you are and have belongs to God. In the presence of God's children show absolute equity. Treat everyone equal. Wash one another's feet. But in the presence of the demons (evil spirits) be majestic and very brave as a son of God and command them to obey you in the Lord's name. They will obey. (But do this after cleansing your heart.) Never reverse this order of behavior. Psalm 103:1-22; Isa 66:2; Math 5:5; 10:8; 18:1-4; Mark 7:28-30; Luke 10:17; John 13:1-5, 12-15, 34,35; Rom 12:10; I Thes 4:9; Heb 13:1.

80. GOD DURING THE HOLOCAUST? Privately I am asking God the same question and I am sure to get full answer either here or in heaven. However, the Nazis did not suddenly appear from Mars. We bred racism for ages often grossly misquoting our religious writings. Semitic ethical wars we misread as 'holy racial' wars. Manav Shastra decreed racism and casteism (graded racism) as religious duties. Then came Darwin whose disciples' made racism as a pure science of Eugenics. Hitler an ardent devotee of Darwin, Manu and Anti Semitism performed his 'scientific' and religious duties. When God's prophets do not do hard thinking or courageous speaking the world's prophets lead the world. Ezek3:16-18; 47:9.

81. 'HOLY' WARS: In the past ages there were no leagues of nations as we now have the United Nations. Therefore, in order to restrain the rogue nations from harming neighbours, the tyrant kings from doing genocide, or people committing unrestrained debauchery, God used one nation or people to chastise another nation or people. But the Jews got it lopsided. They believed that God was always on their side, and they were the Lord's permanent troops irrespective of their ethics, personal and social. (God did not want a king or kingdom for the Jews, much less any wars. God did not permit king David to build God's temple because David "shed much blood") The Jews paid heavily for their grievous misconception. God the defender of the Abrahamic ethical covenant is not the offender against the Adamic and Nohahic ethical covenants. The God of all humans cannot be a racist. The Prince of Peace shed his blood for all humans that humans should not shed human blood. Gen 1:28-31; 9:9-17; 15:16; Psalm 46:9; Isa 2:2-4; 9:6,7; 19:24,25; Math 26:52; Luke 2:14; John 18:36 See video Ebe on 'Holy' Wars

82. SLAVERY: Slavery was not part of God's plan for humans. It was a tolerant will of God, like polygamy and wars. The Mosaic law protected the slaves from the most inhuman treatment of those brutal ages. India had and still has the largest number of slaves (*Dasas*) for the longest period in world history. It was the Divine light that liberated legally the slaves through Wilberforce in Britain and through Carey in India and through Lincoln in America. It was the Basel mission and Amy Carmichael who fought first against the child sex slavery in India. There are still a quarter million women sex slaves (*Dasis*) in India. Speak up for them. Prov 31:8,9.

83. HELL IS NO FUN: Humour is a person being oblivious of his violation of some minor norm while all others around are aware of it. Like your toddler running out of the bathroom naked into your guests' room. Because hell has no norms there is no violation of norms. Therefore, no humour. No one laughs in hell. No one is capable of laughing in hell. See video *Ebe on Hell*.

84. RESPOND TO LIVE: When your child is in coma in the ICU, the best word you want to hear from her surgeon is "she is responding". Are you responding? Then you will live, no matter how messed up your life is today. Respond to God, his Word, the mentors, the elders. You will live. Jer 36:25-27; 37:1-10; Mark 9:7.

85. FEMINIHILIST: The feminists have contributed greatly, in the last half a century, for the liberation and emancipation of women especially the voiceless, powerless, subjugated women. But Feminihilists work for the elimination of woman. For them "gender is a crafty creation of the patriarchal brain; reproductive responsibility is a misogynic death trap, unisex is the coming utopia. Woman's slavery to man cannot be eliminated without eliminating his artificial creation called 'female gender'."

86. GOD THE LEVELLER: Under the Old Covenant the release from debts in the Seventh Year and the restoration of lands in the Jubilee (Fiftieth) Year were the great economic levellers. Under the New Covenant one half of all our savings and assets belong to the poor especially the poor believers. Today 60 richest persons own what one half of the world's population owns. This is not economic possession but

demonic possession of the world's economic system. Be a leveller. Be the voice for the voiceless. Lev 25:8-10, 25-28,39-41; Deut 15:1-15; Prov. 24:11,12; 31:8,9; Isa 1:17; 59:6-12; Math 19:16-26; Luke 3:10,11; 18:8,9; Acts 2:44,45; 4:32-35; Rom 12:13; Gala 2:10; I Tim 6:17; James 2:14-22.

87. YOUR SPIRITUAL TRANSFORMATION: (steps of trust and obedience) may happen in five seconds or in five years. That duration or pattern of transformation is immaterial to God. Do not give up if that happens very slow, has many ups and downs. An instant or smooth, linear or spectacular, bubbling, splashy transformation can be some preachers' marketing myth. Math 12:20; Phil 1:6.

88. CAN I HEAR GOD SPEAK? All living beings communicate. The creator of all living beings certainly communicates, through signals, inner voice, holy scripture, dreams, visions, prophesy, circumstances, and even audible voice. The factor is not how but what. The primary condition to hear God's communication is honesty. Masked men do not hear God's signals. Busy men don't hear him either. God does not waste his time or words. God speaks only to the man who is ready to obey. Ears and brain plugged to the media and its market do not hear God. If you are very young in age or in faith, in order to hear God, hear the mentor who hears God. As you grow in age and obedience you will hear God directly. I Sam 3:10. See video *Ebe on Hearing God speak*.

89. COLLECTIVE EVIL: A person is more conscious of his personal offence than what evil he does or abets as part of his family or society or nation – like abortion, divorce, dowry, slavery, caste oppression, untouchability, racism, exploitation of the week, unjust war, genocide etc. Most of these crimes may result in bondage or curse on us or our descendants unless repentance and restitution are done. When an individual cannot adequately retribute or restore on behalf of his family or whole society, confession and articulation brings deliverance. God is the author and defender of social justice. Psalm 82:3,4; Prov 14:31; 29:7; 31:8,9; Isa 1:17; 19:24; Dan 9:20.

90. CULTURE: Men who have brain protect it with helmet. Women who have values protect it with culture. I Cor 6:19,20; 10:23,24,31-33.

91. GENDER PRIVACY SPACE: Every biologist knows that in all species, elimination of gender privacy space (into gender proximity) results in mating. The biologist's term this as 'Mating Call'. Human sexual promiscuity will increase wherever this gender privacy space is forcibly removed between genders, in the name of gender parity by the Feminihilists. The male cannot be wholly blamed for the resulting sexual deviation. For it is the male who is sexually harassed by such forced proximity. Because for the male it is a forced mating call but against mating act. Maintain healthy space between genders in all social contexts. Do not suffer, being led by unscientific, brainwashed leaders. Job 5:13,14; Rom 1:22.

92. BECOME A PROPHET: What to say, when to say, where to say, why to say, whom to say, how much to say and how to say, separates a prophet from the poisoner, a healer from the wounder, a builder from the destroyer and a blesser from the curser. Prov 10:11,19,21; 18:21; 29:18; Isa 49:1-4; 54:17; Jer 1:1-10; Ezek 3:16-18; Eph 4:29,30; 5:4

93. GIVE ROOM: The Upper Room did not have adequate bathrooms. But the most sacred Holy Spirit started *Sabha* history there. The Manger did not have wash basins and sterilized linen. But the Son of God started *Mukti* history there. Your room may be humbler than the above rooms. Give room to God. You will make history. Luke 2:7; Acts 1:13,14; 2:1-4.

94. SPIRITUAL OUTSOURCING: Many things in our life and in our work can be outsourced for convenience or for better results. However, three things must never be outsourced, viz Personal Prayer, Scripture Meditation and Obedience to God. We do need spiritual fathers, mentors, and mutual intercessors but not religious vendors. I Tim 2:5.

95. EXCEPTION MADE NORM: The time-tested tactic of hell is to force the exception into norm so that the norm is forced out as exception. To cry for the exception a thousand times, in thousand decibels, far out of proportion, portray it / them as 'minority under persecution' and 'under human right violation', until the gullible majority not only accommodates the exception unconditionally but adopts the exception as their own norm. Therefore, while in doubt on any ethical issue, search the scripture intensely and listen to God's prophets intently. Then stay firm like a rock.

96. **NO HUMAN RIGHT:** Right is bestowed by someone who has the right to bestow. Human right cannot be bestowed on humans by humans. Steve Hawkins the greatest physicist of our generation was rightly in paranoid about smarter aliens' absolute right to annihilate humans. No natural evolutionist has the right to speak on human right. If there is no ethical Creator there is no human right. Might is right.

97. **NO ANSWER TO PRAYER?** "Abba Father everything is possible for you. Take away this cup (crucifixion for the evils of humans) from me. Yet not what I will but what you will". This was the most qualified prayer in human history, qualified for answer. Yet God the Father did not answer it - so that today your prayer and my prayer to the Father are answered in Yeshu's name. Denied or delayed or alternate or curtailed answer to your prayer always has a higher purpose. Jere 29:10,11; 32:17-19,27; Math 26:36-44.

98. **'GOD IS NOT FAIR':** "I admit that I am imperfect, but I do not deserve prolonged hell fire for my short term, small failures". Hell is a moral blackhole. It sucks in all who venture into its orbit even by small wrong steps, venture even for a short while. Like the terrorists who capture wandering civilians to use them as their human shield, the evil beings want wandering humans as their shield.

Hell was not created for man but for the rebellious evil spirits. Man can choose to rebel and go there or just wander and land there. A harmless drunkard cannot wander into a war zone and complain of 'unjustifiable' mortar attack. A small-time stealer cannot trespass into a power station and complain of unreasonable electric shock.

Two factors lead men to hell. First, the unrepentant and unforgiving end up there. This is intentional ethical choice factor. Second, the careless or the curious wanderer can land in the enemy territory. This is unintentional isolation factor. Stay safe in the father's house. Math 10:14,15,27-33. See video *Ebe on Hell*.

99. **TEN STEPS FOR YOUR MARRIAGE GROWTH:** A. After family prayer and children to bed, the couple must pray for half an hour daily. Family prayer at children's level; couple prayer at adult level. B. Ruthlessly cut down time on telephone, television, and social media.

They are malignancies against family health. C. Besides weekly fasting prayer, fast and pray for all important family needs. "Pray together to stay together." D. Daily Family Free Hour with spouse and children is supremely important. Avoid / minimise attending birth, death, wedding anniversary parties of all and sundry. For bonding eat supper daily at home with all members together. E. Be absolutely transparent about your finances, spending and bank accounts. Love without transparency is a myth. F. Never travel alone with your staff of opposite gender. If it is a must, resign that job. G. Wives be at your best of dress and smiles for your husband at home, not for your colleagues at your office. You be his addiction lest your husband become addicted to something else or someone else. H. While in outstation, stay home by frequent phone calls, mobile pictures and recordings of your kids and wife. Stay in YMCA and other Christian centres. Avoid hotels if you can for moral safety. I Practice the words 'Thank you, I made a mistake, valuable, sorry, I need advice, very good'. J. Seek and take counsel from mature mentors (not your relatives) on marriage issues. Home science is a science to be studied. Attend marriage seminars, study materials, obey mentors. See video Ebe on Divorce.

100. HUMAN RELATIONSHIP DEFINITIONS:

- A. Spouse - life long - in spirit, mind, and body.
- B. Friends - long term - in spirit, mind - only of same gender
- C. Task mates - for task period and purpose only - work, sports, music, art etc - same gender, unless unavoidable.
- D. Officemates - for office hours, premise, and purpose only - bigender if very necessary but no travel together as two.
- E. Classmates - for class hours, premise, and purpose only - bigender if very necessary.
- F. Infor mates - social media contacts -for sending and receiving essential non-personal objective information only- for the purpose of social transformation and social research-strictly avoiding the danger of personal information sharing / subjective communication. Prov 16:2; 21:2.

101. **RIVER FLOW:** Most teachers interpret Ezekiel 47 as the flow of the Holy Spirit. That is true. However, it also implies the anointed believer (and her/his duty) as a channel of the Holy Spirit to bless the nation

wherever he goes, whatever he does, whenever he speaks - healing to the ailing, building to the broken hearted, liberation to the oppressed, light to those in darkness and hope to the hopeless. Is your spiritual anointing overflowing to your society or your anointing is only a private hand pump or just a water bottle for personal drink? Prov 10:11,21; Isa 44:3; 61:1-3; Ezek 47:1-12; Luke 4:18,19; John 7:37-39.

102. **OLD OR NEW COVENANT:** The spirit of the Law and the law of the Spirit have the same origin, value, and purpose - to make man divine in heart. Math 5:17-20; Rom 8:2.

103. **FREEDOM SLAVES:** We have stringent laws against sexual abuse. But there is no law against beastly obscenity in the electronic media as it infringes on the 'freedom of expression'. We have laws against drunken driving deaths, drunken domestic violence, and drunken incest. But we have no law against drunkenness or liquor peddlers as it infringes on the 'freedom of consumption' and the 'freedom of enterprise'. We have laws against violence but no law against promotion of violence by the visual media as it infringes on the 'freedom of art'. We are a generation of FREEDOM SLAVES who pretend to fight the fire but zealously protect the fire setters. Roman 1:22; Prov 28:5

104. **DO POWER DRESSING:** The mission of the sex worker (in the film, fashion, flesh and porn industry) is to power dress to seduce all men, even all our innocent teenage sons into sexual perverts. Therefore, the mission of the daughter of God is to power dress to help transform all young men around her, into brothers in the Lord. I Cor 3:16,17; 6:19,29; 10:23,24,31-33; Rev 7:9,13; 19:2,8.

105. **NO OBLIGATION TO BLESS YOU:** The man who follows all the traffic rules is not rewarded by the State. Nor the man who pays all his income tax. Because he does these acts for his own safety and for his own use of public facilities and services.

The man who obeys all of God's laws does it for his own safety and welfare. God is under no obligation to bless him though blessing is one of the attributes of God. But when you serve the poor and the needy, the weak and the vulnerable (materially or spiritually) God is under OBLIGATION to bless you. He promised so. Psalm 41:1-3; 82:3,4; Prov

19:17; 21:13; 22:9; Isa 58:6-12; Math 5:7; Luke 14:13,14; 16:25; James 1:27.

106. **MEDITATION:** Yoga as a physical exercise is good for body health. But as mental or spiritual exercise it needs to relate to social health. India has 150 million *Dasas*, quarter million *Dasis*, ranked the most corrupt among the fastest GDP nations and has the highest disparity between its richest and lowest paid, exceeding 1: 5,000. When we empty our terrestrial mind by celestial meditation, we need to fill it with cosmic social ethics. We need more *karma yogis*. Romans 12:1; Math 7:16,20.

107. **MADE ALIVE TO DIE:** The entrance of our salvation is John 3:16. But the end purpose of our salvation is 1John 3:16 that we die for others. Most preachers very cautiously avoid preaching this end purpose.

108. **BITTER DESCENT:** Bitterness toward others - bitterness toward self - bitterness toward God - blasphemous thoughts - mental bondage – obsession - possession. Beware of bitterness the first step toward possession. Avoid comparing with others. Thanksgiving and worship heal bitterness. Thank God and men for what little you received. Give to the poorer. You will receive what you need in the Lord's timing, measure and way; either now or in eternity; either in your lifetime or of your descendants. God has no favourites. Job 2:9; Psalm 34:1-3,8-10;37:4-7,23-25; 100:1-5; 103:1-22; Eph 4:31,32; IThes 5:18.

109. **SANCTIFY YOUR MOUTH:** A prophet speaks what all others cannot speak because the prophet does not speak what all others can speak. Isa 41:15,18; 49:1-3; James 3:4-10.

110. **AVOID PRIDE AND JEALOUSY:** You are a product made by others' contributions - genetically, educationally, professionally, and spiritually. You own nothing autochthonous. Therefore, give wide public credit to God and every person who made you, contributed to your education, work, life, or ministry. Lift up everyone high. Help every needy person around you in every small way. Then you will face no jealousy or the pagan fear of "evil eye". Prov 21:4; 26:4; I Cor 4:7

111. **SOCIALISM:** Commune living predates the apostolic period as is evident from the Qumran communes and the Jain communes. However,

it was the first *Satguru Sabha* (expecting the imminent return of the Lord and conscious of the transience of temporal life) which gave the spiritual foundation to this socio-economic principle “to everyone, according to his need and from everyone according to his capacity”. When communism discarded this divine foundation to embrace Natural Evolution, it dug its own ideological grave. God is the foundation and fountain of all social consciousness. Grow from charity to social transformation to social justice. Psalm 72:4,5,12-14; Acts 2:44; 4:32.

112. JUDGEMENT: The holy scripture is clear that all of us, from the hardcore criminals to the senior most Christian leaders, will be judged according to our repentance, forgiving and obedience. Grace is available but on condition of our repentance, forgiving and obedience. Hell is the communion of beings who by repeated defiance chose to lose their capacity to repent or forgive. Many persons lose imperceptibly that capacity to repent / forgive long before they realise that loss. Repent / forgive / obey today. Psalm 139:1-24; Prov 29:1; Isa 26:21; Jere 3:16-18; Dan 12:2; Math 5:11-48; 6:14; 7:1-5; 13:49,50; 25:14-46; Mark 4:24; Luke 3:8,9,17; 17:26-30; John 5:28,29; 16:8; II Cor 5:10,11; II Peter 2:4-10; 3:10-13; Jude 5-7,17-21; Rev 20:11,12; 22:12.

113. GRACE CHANNEL: God’s redemption reached me at the Redeemer’s expense (obedience), so that God’s redemption may flow to my people at my expense (obedience). Grace always flows to an undeserving one at the expense (obedience) of a righteous advocate – to a wayward son because of his righteous father, to a faltering believer because of his righteous praying pastor, to a dark nation because of a righteous, sacrificing, obedient saliah (anjalar, avadoot). Some righteous person always pays (obeys, prays) for grace to reach some undeserving person. Grace is not earned. But grace channel is almost always earned. Beware of hyper grace marketers. Keep on growing in righteousness and obedience. Gen 18:32; 22:18; Psalm 85:10,11; 89:14; 92:12-15; Prov 21:3; 28:9-13; Eccl 8:13,14; Isa 53:1-12; 66:1,2; Jer 18:6-10; Ezek 22:26-31; Math 5:13-48; 7:13-23; 10:34-40; Mark 8:34-36; Luke 3:4-9; 13:6-9; John 8:33-36; 12:24,25; 15:1,2; 17:19; Acts 24:24-27; Rom 5:19; 6:19; 13:11-14; Phili 1:29,30; 2:12; Titus 2:11,12; Heb 6:4-6; 12:4-14

114. UNORGANISED PRAYER: Pray whenever and wherever you can, with whomever you can (besides your family) and along with whatever

private work you are doing. Pray for a minimum of one minute for every incoming and outgoing personal phone call and e-mail. Your monthly prayer list in your pocket (or mobile phone) must have a few hundred ministries and names for quick access for short prayers. Mine has one thousand, but I often fail to cover them. I keep trying. All believers need to spend daily a minimum of one hour in personal prayer and in (audio / mobile / printed) scripture meditation. All waiting times can be changed into prayer times. Young Christian workers must spend two hours in prayer and in scripture; senior Christian leaders about four hours per day. Preaches many more hours. This is possible only by unorganized prayer. I Sam 12:23; II Chron 7:14; Psalm 55:17; Jere 33:3; Jonah 2:1; Math 6:6; 9:38; 26:41; Mark 9:29; Luke 18:1-7; Rom 12:12; I Cor 14:15; Eph 6:18; I Thes 5:17; I Tim 2:1-4,9,10; James 5:14,16.

115. **HEAVEN:** Heaven is the communion of beings who live for others. Hence God the Father who sacrificed his Son is seated the highest. God the Son who gave up his life for us aliens seated next. God the Holy spirit who does the scavenger's job for us anonymously is seated next. All three in one. Seated among the front liners are the *saliah* mothers who buried their children in the distant strange lands. Also, are the *saliah* kids who suffered severe privation and loneliness for the sake of the unreached. So are the vast number of persons who sacrificed greatly to take or send the *susmachar* to distant people in darkness - linguists, social workers, teachers, health workers, prayer partners - whose face or name did not appear in the mass media. Isa 26:19; 65:17; Dan 12:3,4; Math 5:11,12; 19:29; I Cor 4:11,12; II Tim 4:7,8; Rev 21:3,4,22-26;22:1-5.

116. **REWARD IN HEAVEN:** Jealousy is the result of our very poor understanding of quantum and individuality on the earth. In heaven individuality and quantum lose their boundaries and values. Three are one. No one "owns privately" anything there. Therefore, in heaven all share the joy of all. The only reward in heaven I seek is seeing the rewarding of all the rewardees. Mark 3:35; Act 2:44; 4:32; Rom 12:15.

PRAISE AND GLORY and wisdom and thanks and honour and power and strength be to God for ever and ever.
